Please consider bringing a few of these items so your time will be enjoyable while volunteering:

- comfortable shoes
- cell phone
- money (if want to buy from vendors at the expo or race village)
- water bottle or travel mug
- if a course marshal or at water station, perhaps a portable chair/stool for a break between runners
- if helping outside, please dress for the weather! For example: gloves, rain gear, umbrella, hat, windproof jacket, bunny-hug, or blanket. Also, you might need sunscreen or bug spray!

Our Emergency Response Team for race day includes:

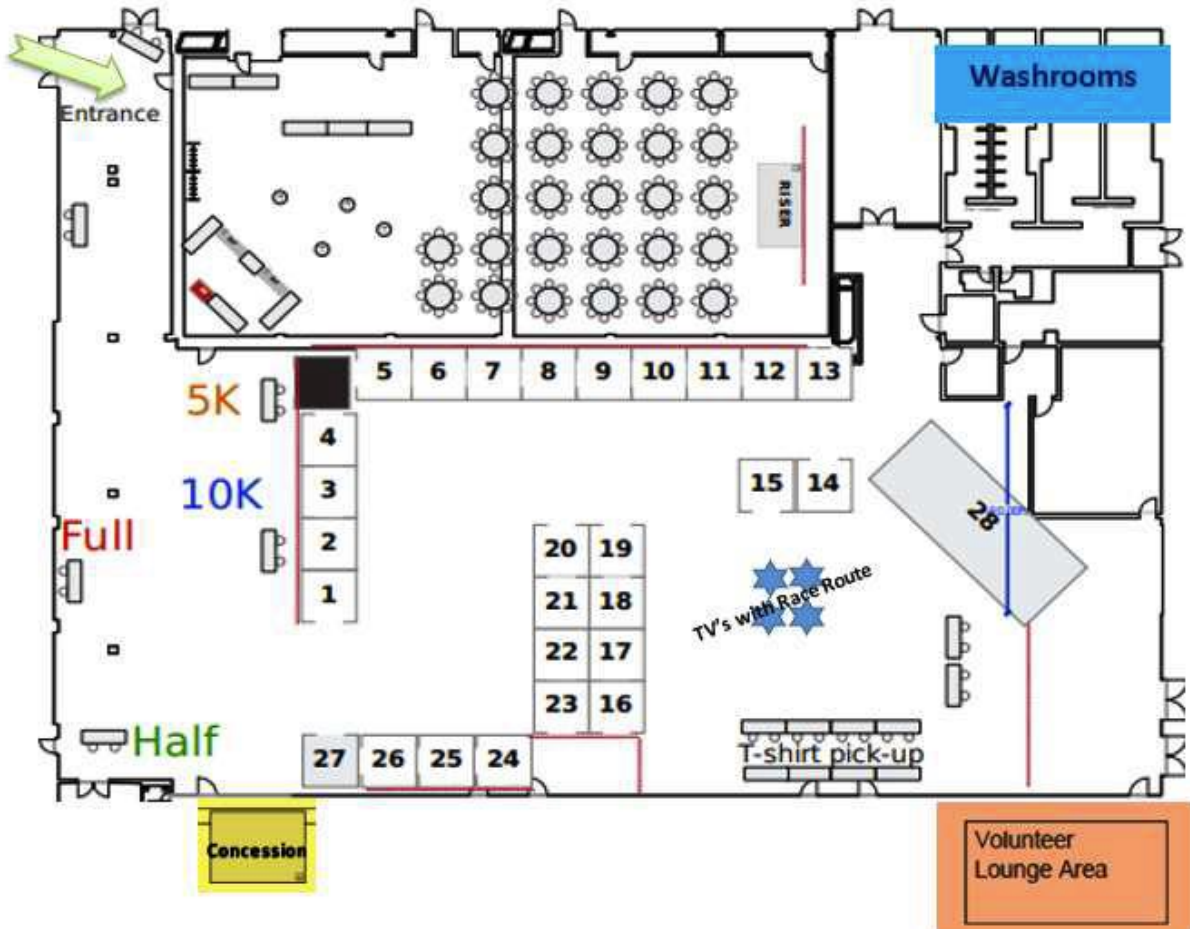

- **Saskatoon Police** (at key intersections for traffic control and help ensure course safety)
- **Saskatoon Fire & Protective Services**
- **Medavie Health Services West Ambulance** (located at Start/Finish Line area and also roaming the course should anyone need immediate care)
- **Saskatoon Amateur Radio Club** (provide communications from water aid stations and in the Village area)
- **Craven** has a Recovery Tent at Start/Finish line to assist participants with **non-emergency** medical conditions

On the course when a sports injury (i.e. sprain, blister), ask bike marshal to pass along message to Radio Operator at nearest Aid station so help can be sent.

For a medical emergency (i.e. cardiac arrest, severe dehydration) call 911 indicating you are on the marathon course or at the village.
