## OFFICE OF THE MAYOR

On behalf of my colleagues on City Council, it is my pleasure to welcome you all to Saskatoon, located on Treaty 6 Territory and the Homeland of the Métis Nation, for the Saskatchewan Marathon.

For decades, the Saskatchewan Marathon has been a signature event of our community that welcomes people from across the country and that draws people of all ages together—from elementary students to seniors—to participate in the different events.

I wish the best to all of the participants, whether your goal is to run your first 5 km, strive for a personal best, or race for a first-place finish. I commend everyone for their discipline and determination to achieve their goals. I hope that you enjoy the run throughout our river valley, the most cherished part of Saskatoon.

I would like to offer my thanks to the sponsors of this event, the numerous volunteers that help bring it to life, and the organizers with the Saskatoon Road Runners Association for continuing to create such a positive experience for participants year after year. The ongoing support for the Meewasin Valley Authority and the work that you are doing with schools to grow the sport and encourage lifelong physical activity is so important and it gives the Saskatchewan Marathon such a strong connection to the community at large.

Good luck, and enjoy your run!
